

# Ensuring the Growth of California's Transportation Workforce

Developing the Right Workers for Today's Challenges and Tomorrow's Jobs

## A California Summit

Presented by

METRANS Transportation Center and the Mineta Transportation Institute  
– in Partnership with Long Beach City College –

### Monday-Tuesday, February 1-2, 2010

### Hyatt Regency Long Beach

Long Beach, California

Summit registration and sponsorship information at [www.workforcesummit.org](http://www.workforcesummit.org)

#### This two-day professional summit will

- Assess the abilities of today's transportation worker and identify the skills necessary for the next generation of California's transportation workforce;
- Bring together professionals from engineering, goods movement, planning, transit, construction, and other fields to identify partners who will address changing workforce needs;
- Showcase programs and partnerships that demonstrate innovation in meeting the State's transportation workforce challenge;
- Organize the resulting data and recommendations to become part of a 2010 National Transportation Workforce Development Summit in Washington, DC.

#### Who should attend?

From High Schools, Colleges & Universities

- Administrators
- Faculty
- Career Counselors

From Transportation & Transit Industry

- C-Level Executives
- HR Managers & Recruiters
- Transportation Engineers
- Transportation Planners
- Corporate Agency Trainers

Anyone else who hires, trains, or wishes to become a transportation professional.
